The Share of Elizabeth C. Broom was transferred to Geo. A. Parker May 14 1862, as appears on p. 490 of this book. But upon attempting to post the transfer in J. Poulson's Chronological Register, the name of Eliz. C. Broom does not appear. On reference to the old Treasurer's Ledger it appears that her name was introduced there about Jan 1841, whence it is presumed that she got her share as a member of the Library of Foreign Literature, and that her name was accidentally omitted in this Book Since a new number
